

STATEMENT OF PURPOSE

RS21182

This legislation will create a National Motto specialty license plate. Part of the fees collected for these license plates will go to the American Heritage Foundation to provide materials for purposes such as helping to educate the public regarding the founding principles of the United States of America, promoting citizenship and patriotism and promoting honor and respect for positions of public service and authority, including military service and veterans, law enforcement, educators, firefighters, first responders and elected offices.

FISCAL NOTE

Thirteen dollars (\$13.00) will be deposited to the state highway account for each license plate sold.
